The council discussed the fireworks and possibly replacing the flag for more shots and then purchasing a lighted flag for the end. Maybe play the National Anthem or Proud to be an American while it is lit. Jim Mott from Eaton County discussed the vandalism at Keehne Environmental Center and other parks in the county. The county is looking at different options for what to do, possibly putting up cameras, using different boardwalk materials, and moving the boardwalk altogether.

B. Balkema moved to adjourn the meeting at 7:34 p.m., seconded by L. Pfiester. Motion carried.
