D. Swartz regrettably resigned from the Village Council via a letter citing health issues, effective Oct 24, 2023.

The council discussed only having one meeting in December. They also discussed waiting to get reimbursed for money already paid out to Wightman until we receive the grant money next year instead of getting it this year through a BAN Bond and paying \$8,500 in interest on it. Virgil, a local artist, is working on a sketch, and once it is completed, he will present it to have it approved and hopefully have a business owner allow him to paint it on the side of their building. Reviewed the Fire Board Contract and made a few more changes, waiting until the new inflation rate comes out before moving forward.

H. Coy moved to adjourn the meeting at 8:36 p.m., seconded by B. Balkema. Motion carried.
